

Are you a parent/carer of a child with Autism Spectrum Disorder? The Autism & CAM Study is exploring parent/carers views of complementary and alternative medicine.

Who are we looking for? parents/carers of children with Autism Spectrum Disorder. Who have used or are thinking of using complementary therapies and medicines (CM), e.g. vitamins, diets, music therapy and acupuncture.

What is required? Participants will take part in an individual interview that could last between 30 and 60 minutes. They will also be asked to complete a short survey. Participants will be reimbursed for their time with a gift voucher. All information they give us will be confidential.
